Attachments: Supplemental letter.pdf; Preface on the Int. Workshop.pdf; Website.vol 1873.pdf; Copy of FTS_3yo_dad_file.xlsm

Andrea,

Attached is a supplemental discovery letter, the FBI log files for this case, and some information on the peer reviewed and published article we previously discussed. I will be sending a hard copy but wanted to get this to you quickly due to time constraints.

Please feel free to contact me if you have any trouble accessing these documents.

Carol
